

BELLA INK CLAIMS LFC TITLE FOR TEAM LOYAL FANS

Bella Ink once claimed she would never fight for anyone but the Black Team but last month she claimed the vacant LFC title at LFC41 as a member of Team Loyal Fans. Ink decided to make the switch at the request of LFC Prez Holly Mei who promised her a more direct road to a title shot (Ink was the #2 contender on the Black Team behind Katie Forbes). Since switching teams, Ink has peeled off 4 straight wins including the title bout of LFC41: Lingerie Fight Club where she defeated Sarah Wolfe for the title stripped from Jolene Hexx. EVERYONE IS TALKING ABOUT LINGERIE FIGHT CLUB (STOP IT!)

Considering all the buzz about our most recent event, LFC41, we think some people might need a reminder of the rules. #1: you don't talk about Lingerie Fight Club. #2: you DO NOT talk about Lingerie Fight Club! #3: if someone says stop, goes limp or taps out... the fight is over. #4: only two girls to a fight. #5: only one fight at a time. #6: no shirts, no heels. #7: fights will go on as long as they have to. #8: if this is your first time at Lingerie Fight Club, you have to fight!
